Dear Givin' It All For Guts Board of Directors (and Friends):

Thank you, again, for your incredible support of our work through Givin' It All For Guts. I am deeply grateful for your continued commitment to our research, and for your partnership on the path to finding a cure and improve lives for those impacted by Crohn's Disease and Colitis. You understand the importance of philanthropy to our work better than most, and we are so thankful for your generosity in these uncertain times.

Your continued support of our research will make a difference for many patients, now and in the future. All of us greatly appreciated your kindness, generosity and partnership. Hopefully we will be able to see you in person for an update in 2021.

Gratefully,

Matthew Ciorba, MD
Associate Professor of Medicine
Director, Inflammatory Bowel Diseases Center
Director, IBD Research
